Kansas City, MO 64114
(816) 823-7128

Do you work in wastewater? Are you looking for training?

The MWEA (Missouri Water Environment Association) is looking to help you become involved in our organization.

To help, MWEA is offering two (2) operators the opportunity to be selected to receive a free one (1) year membership to MWEA and one (1) full conference registration to the MWEA/MO-AWWA Joint Annual Meeting (full conference registration with meals only).

The free Membership is being offered to give wastewater operators the opportunity to learn more about the benefits of being a member of MWEA and attending the 2020 MWEA/MO-AWWA Joint Annual Meeting at Lake of the Ozarks.

The goal: To highlight the organizations benefits and training that is available to operators and administrators in the water/wastewater profession.

How does it work? Simply fill out the questionnaire and submit it to MWEA Office (address below) for your chance to be the next MWEA member to take advantage of its benefits and training opportunities.

Submission deadline is April 30th 2019 and two (2) individuals will be randomly selected in the month of May 2019.

MWEA Office
