

FREE OPERATOR Membership Application

Do you work in wastewater? Are you looking for training?

The MWEA (Missouri Water Environment Association) is looking to help you become involved in our organization.

To help, MWEA is offering one (1) selected operator the opportunity to receive (1) full conference registration to the next MWEA/MO-AWWA Joint Annual Meeting (full conference registration with meals only) and a free one(1) year membership to WEF/MWEA.

The free Membership is being offered to give wastewater operators the opportunity to learn more about the benefits of being a member of MWEA and attending the 2025 MWEA/MO-AWWA Joint Annual Meeting at Lake of the Ozarks.

The goal: To highlight the organizations benefits and training that is available to operators and administrators in the water/wastewater profession. And to increase engagement by becoming involved with a MWEA committee.

How does it work? Simply fill out the questionnaire and submit it to MWEA Office (address below) or email madison@c2cpro.solutions for your consideration to be the next MWEA member to take advantage of its benefits and training opportunities. **Deadline for submittals is March 15, 2025.**

MWEA Office
P.O. Box 1572
Jefferson City, MO, 65102

Name: _____

Date: _____

Utility / Company: _____
